## 59th ANNUAL REPORT.

The Committee have pleasure in presenting their Annual Report and Statement of Accounts.

The number of patients treated during the year has been 52. There have been two deaths, five births, and one case transferred to the North Devon Infirmary. Nine patients were admitted into the Private Ward and forty-three into the Public Wards; 206 out-patients also received treatment. Fees amounting to £121 were paid.

Four major and eighteen minor operations were performed. Fifteen X-Ray photographs were taken.

The Committee much regret the resignation of Miss D. L. E. Napier from the position of Sister-in-charge and wish to acknowledge her excellent work during the three years she was at the Hospital. Miss E. C. King, who held the position of Matron at the Hospital for several years, has taken on the duties temporarily.

The Committee tender their sincere thanks to the Honorary Consulting Surgeon, the Medical Officers, the Dentist and also the Sister-in-Charge for the work they have done; to the Clergy of the neighbourhood for their annual Church Collections and to all those who have assisted in any way towards the maintenance of the Hospital.

Special thanks are also due to the Committee of the Lynton and Lynmouth Pony Show for their further generous donation of £50; to Miss Bevan for so kindly devoting once again part of the profits of her New Year's Eve Ball to the Hospital Funds; to the Parracombe Races Committee for their donation

of £10; and to the Committee of the Brendon and District Agricultural Show for their continued support.

Receipts by way of Entertainments, Donations, etc., have amounted to £417 : 5 : 6, compared with £472 : 11 : 1 last year, and this accounts for the deficit on the year's working. The total income amounted to £601 : 18 : 7 and expenditure to £648 : 15 : 10. After bringing in last year's balance of £85 : 16 : 10, there still remains on the Current Account the sum of £38 : 19 : 7. £200 still stands to the credit of the Deposit Account, and the invested funds are as hitherto viz.:—£1371 : 15 : 4 India 3½% Stock.

The Committee have decided to transfer to an X-Ray Sinking Fund Account the sum of £10 per annum to cover the cost of any necessary repairs to the apparatus and the amount standing to the credit of this account, including interest, is now £10 : 1 : 9.

A sum of £30 has been received as this Hospital's share of the Lady Peto Memorial, and to comply with the conditions of this fund, the Committee decided to purchase a Radiant Heat Bath, which has since been installed and is now ready for use in the Hospital. Particulars regarding treatment and fees may be obtained from the Sister-in-Charge.

The Contributions to the Hospital Flag amounted to £144 : 12 : 8.

The Honorary Auditors, Messrs. H. Barrett, Son and Taylor, with the assistance of the Honorary Accountant, Mr. E. Doe, have once again kindly audited the accounts.

Grateful thanks are due to all donors of gifts, to those who gave provisions on Pound Day, and to all who have assisted by taking collecting boxes.
